### Instructions to voters

To vote for a candidate, use a black pen to fill in the oval next to the name, like this:

To write in a qualified candidate who is not already on the ballot, fill in the oval and write the name of the person on the line.

If you want to change a vote or have made a mistake, ask an election worker for another ballot.

If you make marks on the ballot besides filling in the oval, your votes may not be counted.
