Keep King William County Beautiful!

If you think one person can't make a difference, you haven't heard about Mrs. Laverne of Athens, Alabama. "Mrs. Laverne got a broom and started sweeping the sidewalk ... as she looked around, she saw tremendous amounts of litter in the ditch by the sidewalk. Determined to get things done, Mrs. Laverne headed to the mayor's office. ... 'Listen, I need a vest, some grabbers, and some bags,' she told Mayor Marks. ... the next day she woke up and started to pick up trash. 'The day I was cleaning up over by my house, a lady came through and asked, 'What are you doing?' I said, 'I'm cleaning up this mess!' She said, 'Well, that belongs to the city.' I said, 'No. It's our job.'" And that's just the beginning of her story.
