The newsletter cover has a yellow and brown color scheme. It features the text "BUZZ, BODY & BITES" in a bold, sans-serif font, with "A newsletter for actively aging adults" in smaller text below it. To the right, the word "THANKSGIVING" is written in a large, decorative font with a turkey illustration integrated into the lettering. At the bottom left, it says "November 2022 Newsletter".

Virginia Cooperative Extension Newsletter for Actively Aging Adults

Read the November edition of **Buzz, Body & Bites** and read about the history of the turkey, learn some new jokes to share around the Thanksgiving table, get a great new recipe, learn about staying flexible, and more!

Operation Green Light for Veterans

During November, Operation Green Light for Veterans aims to show support for veterans and let them know they are seen, appreciated, and supported. Focus is also placed on helping veterans and their families learn about the programs and benefits available to them.

Regional Animal Shelter Pets of the Week

"**Bear**" is a good-looking male Lab/Husky mix that's about 10 months old and weighs 65lbs. He was surrendered to the Shelter because his owner could no longer care for him. He has a goofy personality and just loves everyone he meets! He gets along with other dogs and does fine with cats. He is heartworm negative and on prevention.

"**Clarice**" is a dainty female Beagle mix that's about 2-3 years old and weighs almost 30lbs. She came to the Shelter after she was found at someone's home. She is a very nice girl and gets along great with other dogs and cats. She seems to do fine with children, too!

Broadband News ...

The **Breezeline** expansion mainly focuses on the northeast section of King William County. Those already served in areas by Breezeline, mainly the Central Garage area and 360 corridor, may want to take advantage of the [Affordable Connectivity Program](#) and the [Line Extension Customer Assistance Program](#) (LECAP).

All Points Broadband is working with the County to provide fiber-to-the-home service to all parts of the county not already slated for broadband through other grant projects. Make sure you [register your address on their website](#). This information will help them ensure universal coverage and finalize their construction sequence. **All Points will be giving a project update at the November 7th Board of Supervisors Work Session.**

Cox Communications provides service to most of West Point. Visit their [website](#) for coverage information and pricing.

Xfinity (Comcast) service is available in very limited areas of the County. Check their [website](#) to see if coverage is available at your address.
