The best way to stay informed is to get involved! There are several County boards and commissions that currently need additional citizen representation. You can also get first-hand information on what's being discussed by attending public meetings.

### Boards & Commissions

**Board of Zoning Appeals (BZA)** - advises on appeals for zoning ordinance variances  
**Social Services Advisory Board** - offers input on all matters pertaining to King William's public assistance and social services needs

**VA250 Planning Committee** - help celebrate the 250th anniversary of Virginia's participation in American independence

### Public Meetings

The Board of Supervisors meets twice per month. You can attend in person or watch the meeting using Zoom. Links to register for all public meetings offered electronically are on the Calendar page of the County website. You can also read approved minutes from past meetings or watch video recordings on the [Agenda Center](#) page. Don't take someone else's word for what's going on - hear it yourself!

Download [detailed Zoom instructions](#) and learn about [Public Comment periods and Public Hearings](#) on the County website.

### Pets of the Week

"Memphis" is a strapping male Pit Bull who is around 2 years old and weighs 65lbs. He came to the Shelter after he was left at an abandoned home. He does pretty good on a leash and is housebroken. He does not do great with other male dogs or small dogs but would likely do fine with an active female his size. He does not do well with kitties!
