King William County LOGO DESIGN CONTEST

While the King William County Coat of Arms is the official county seal and will continue to be used, a branding logo is a more modern, friendly, and creative way to convey the County's history, present, and what it aspires to be in the future.

Visit our [Design Board](#) for more information, ideas, and inspiration.

[Submit your design online](#)
by August 31, 2023.

In addition to the fame and notoriety of being the designer of the County logo, the winner will receive some excellent County swag with the new logo on it!

Route 629 Jack's Creek Culvert Replacement - Detours Begin August 21, 2023

Starting on August 21st, VDOT's Bridge Division will be closing Route 629 Jack's Creek Rd. at Jack's Creek in King William County. The current steel culvert structure, built in 1943, will be replaced with a new concrete

SHARE YOUR IDEAS!

[King William Community Center/Library Survey](#)

According to the [National Prevention Council \(NPC\)](#) and others, community center activities can strengthen social connections, reduce social isolation, improve health and well-being, and increase community engagement.

Your input will help the architects create a design for future consideration which includes features that are important to you and your family. Representatives from Tymoff + Moss Architects will be at the meetings to take down your ideas.

Can't make it to a meeting?

BUILD AN EMERGENCY KIT

Gather enough supplies that can last at least three days for you and your family. Make sure to include any needed medications, disinfectant supplies, cloth face coverings (for everyone ages 2 and above), pet food, and other needed supplies. Store the supplies in one or two easy-to-carry containers.

View and download the full list at vaemergency.gov/emergency-kit.
