Upper Mattaponi Indian Tribe Chief Frank Adams (left) presented a \$5,000 check to King William County Administrator Percy Ashcraft for support of Fire & EMS services. The donation is a result of a special fund established through the Tribe's business ventures to support community projects and services.

King William County expresses our deep gratitude to the Tribe for this generous gift.

The Economic Development Authority (EDA) awarded grants to five King William businesses as part of its Small Business Grant program, which was launched in November of 2023 to assist small businesses with operational needs.

The first recipients received their funds at the EDA's February 14th meeting. In attendance were the owners of Edwards Auto Parts, On The Fly Game Truck, and the Peace Outlet. The final two grant recipients, Roma Ristorante Italiano and Salon Central LLC, were unable to attend.

Grant information and applications can be found on the County website under the Quick Links heading on the left side of the main page (kwc.gov).
